Mother of Christ Catholic School (MOC)

Introduction: An interesting and challenging experience awaits you as a student or parent of the school. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

Mission Statement: Mother of Christ Catholic School collaborates with our entire community as we strive to provide high-quality academic achievement in a Catholic faith-filled environment.

Philosophy: MOC believes that each child is a gift from God. Together with the parents, MOC will aid the children in the realization of the personal love God has for them. We help the children grasp this loving and personal relationship with the prayerful use of the Sacred Scriptures. We strive to instill the basic value of self-respect, respect for others and the appreciation of the beauty of the world by creative expression of their God-given talents.

Goals and Objectives

- 1. Spiritual:** To be a witness for Christ in family life and the parish community. To make children aware of their God-given capabilities. To provide children with the opportunity for personal and communal prayer, participation of the Sacraments and the opportunity to participate in class, school masses and prayer services.
- 2. Intellectual:** To encourage children to think independently and to make sound judgments based on Catholic Christian Principles. To provide children the acquisition of skills needed to recall, organize, synthesize data, and to evaluate this in accordance with their values. To provide children the opportunities to express themselves through creative writing, poetry, and dramatic speaking.
- 3. Academic:** To provide a strong academic curriculum. To give children the opportunity to acquire the knowledge and skills necessary to live in a changing world, changing society and a new century.
- 4. Social:** To create a community of Christians. To provide children the opportunity to accept and respect others as self, to develop the sense of team spirit, good sportsmanship, and positive peer-pressure. These sentiments stimulate the love of God, self and others.
- 5. Emotional:** To create an environment where children are accepted as unique individuals. To provide them the opportunity to develop self-esteem and respect for themselves and others.

Beginning of Year Orientation: At the beginning of every school year, parents are invited to an orientation meeting. The curriculum, classroom rules, regulations and teachers' expectations will be discussed at this time. We encourage parents and guardians to be present for this meeting.

Office Hours: The school office is open from 7:30AM to 3:30PM, Monday through Friday, on days that school is in session. When calling the office, we truly appreciate that you call after or before the morning/afternoon busy times (7:45-8:15 AM and 2:30-3:15 PM).

Open Admission Policy: The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

All families and prospective students will meet with the Principal or Assistant Principal prior to acceptance in the school. Students may be accepted at MOC on a probationary period for up to one school year. During that period, the teachers and administration will evaluate the student. The school reserves the right to accept or retain only those students whose needs can be met within its educational program and whose families participate in the life of the parish. As a result, many factors may be considered in evaluating new and returning students. In matters of admission and registration, the decision of the local Pastor and Principal are final.

Undocumented Students: A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Archdiocese of Miami may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

Parental Cooperation: The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it be at school events, on or off school campus, or on social media or other public forums. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

Registration: To register at MOC all new students must present proof of:

- A. Birth Certificate
- B. Updated Original Health/Vaccine Certificate
- C. Baptismal / First Holy Communion Certificate (if Catholic)
- D. Parish Contribution Number if registered at MOC
- E. Letter of recommendation from Pastor (if applicable)
- F. Final Report Card from previous school.
- G. Copies of Standardized Test Results (if applicable)
- H. Copy of any evaluation academic/psychological done by another school or private consultant

To register for Kindergarten, students must be 5 years of age, and for First Grade, students must be 6 years of age by September 1st. These are requirements of the State of Florida and cannot be changed by the school. If a new student moves to Florida from another state, and is presently entering a grade other than Kindergarten, considerations will be given to accommodate the student's needs on an individual basis. The school reserves the right to test student's academic performance for placement in the program. Some students may not be accepted because of the school's educational program and facilities are not able to meet their needs.

Re-Registration: Re-registration will occur in January. Siblings of students in good standing currently attending MOC will have priority in registering for school. Re-acceptance will be based upon regular mass attendance, church contribution, active participation in the parish/school community, and space availability. Parents are asked to re-register by the due date, or waive their right to placement. Prior to re-registration the teachers will recommend to the administration the names of the students who should not return to MOC for the following year. The recommendation will be based upon the child's academic performance, behavior, and parent's willingness to cooperate with the child's educational needs.

Financial Obligations: The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts or any other student records and/or disallow participation in or access to school activities, and/or disenroll the student if any financial obligations are not met.

Registration Fee: This fee is due when registration or re-registration is done, and it is non-refundable. Re-registration is contingent upon clearance of all previous financial obligations.

Tuition and Fees: Two payments towards your incoming school year's tuition must be made prior to May 31st. The remaining tuition is paid in 10 monthly installments August-May. Delinquent tuition payments will carry a late payment fee of \$25.00 (monthly). Students are subject to dismissal from the school if financial obligations and Mass attendance are not kept current. **DO NOT SEND CASH WITH STUDENTS.** The school is not responsible for cash sent to school with the students.

Pledge and church contributions are to be paid to the church office. Please use the envelope so proper credit can be given.

Returned Checks Check Policy: If the bank returns a check, it will not be re-deposited. The family will have to pay cash. There will also be a \$25.00 returned check fee. No post-dated checks will be accepted. Families that consistently have NSF checks will be called to the pastor's office for a meeting. Future payments may be required to be cash. This applies to all checks received from the family through-out the year.

Withdrawal: The parent who wishes to transfer a child should contact the office. An exit interview will be scheduled and proper documentation prepared. All financial obligations must be fulfilled before records are sent to another school. Student's grades at the time of withdrawal will be recorded.

Change of Address/Telephone Number: It is the parent's responsibility to advise the school office of any change of address, telephone number or e-mail address. This must be done in writing. Please note that when contacting you for an emergency, we need to have updated information.

Emergency Contact Information: At registration, parents must fill out an Emergency Contact Form. These forms are kept on file and will be used if/when the student experiences an emergency, illness, or accident while in school. It will include authorization for the school to act in an emergency when the parent or guardian cannot be reached. It is, of vital importance that the emergency form is kept accurate, complete and up to date. Parents are required to inform the school of any changes. In an emergency, time is a critical matter.

Text Messaging/Telephone Calls: The school may use text messages and automated telephone calls to alert parents/guardians of important information related to the school's mission, operations, and activities. Parents/guardians acknowledge and consent to the receipt of these messages when providing their telephone numbers.

E-MAIL: All school faculty and staff have an e-mail address. You may access the directory on the school website <http://motherofchristcatholicschool.net>. The school sends memos via e-mail instead of hard copies, please keep your e-mail address up-to-date.

School Website: The school website is a vital source of information and resources. The yearly and monthly calendar will be posted on the site, as well as other important forms. You may download Authorization for Medication, Athletic Participation, as well as other important forms from the website.

Visitors: Anyone, visitor or volunteer, coming to school unexpectedly or by appointment, must first report to the school office. Appropriate attire (no shorts, biking shorts or tank tops) is required when volunteering in school. Parents are asked to leave siblings at home when coming to school to volunteer. Parents are not allowed to walk their children to class in the morning. Instant conferences are not allowed. Teachers may be dismissed for violating this policy. All parent/teacher conferences are to be recorded.

Volunteers: Anyone who desires to volunteer must fill and sign an Archdiocesan Volunteer Pledge to Promote Safe Environment form, have a cleared fingerprint background check through the Archdiocese of Miami and completed the “VIRTUS: Protecting God’s Children for Adults” workshop offered by the Archdiocese. Once the course has been completed, ongoing trainings must be completed on-line. Families are required to volunteer at school events: Harvest Festival, Pig Roast, etc... All families are required a minimum of 40 volunteer hours per school year.

Room Parents: Each class has a designated homeroom parent. In consultation, the teacher and the principal choose the homeroom parent. Parents need to be in good standing (as stated in the Volunteer requirements section of Page 5) to become a homeroom parent. The function of a room parent is to help the teacher; therefore, coordination and planning of activities is to be done in accordance with the teacher’s plans. The teachers will authorize all room parents activities. Please note that room parents will not automatically attend all the field trips.

Home and School Association (HASA): HASA is designed to assist the administration as the social and fundraising organization of MOC.

Attendance

Procedure for Absence: Student absences will be excused for the following reasons:

- A. illness of student when a doctor’s note is present
- B. family emergency (principal/parent conference necessary)

When a student is absent from school, a parent or guardian is requested to contact the school office, either by e-mail to sandy.sanchez@motherofchrist.net or by phone(786-497-6111) and give the name of person calling, student’s name, grade & homeroom teacher’s name, reason for absence and day the student is expected to return.

For absences more than one day please call the office and e-mail your child’s teacher by 11:00 AM so that she may prepare the work during her break. This allows the teacher to prepare your child’s homework without interrupting their class. All work may be picked up after 3:15 PM.

Students returning to school after an absence must present a note explaining his/her absence to the homeroom teacher. Students who are absent three consecutive days must present a doctor’s note stating that the child is ready to return to school. On the day of the 3rd absence the teacher will call the student’s parent/guardian to be informed the reason of the absences; and of any danger of failure because of absences with ample time. All absences will be recorded. **The principal has the right to refuse an excused absence in cases where the parents’ reason for keeping the child out of school does not seem valid.**

Truancy: By law, students have the responsibility to attend school 180 days each school year. A student who has more than 18 unexcused absences may be retained. Students who have over 25 absences, regardless of whether they are excused or unexcused, must attend summer school in order to be promoted. Teachers are responsible to inform the parents and the office of children’s absences. Parents must ensure that students are present, unless illness or emergencies are of such severity as to prevent attendance.

Sickness: If your child has a fever or has any signs of being sick, we will contact you immediately so that your child may be picked-up.

Medications Guidelines: Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

1. An "authorization" form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
2. Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.
3. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.

Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (Epipen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases, Parents hereby release the school, the Diocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provisions of those health care interventions that are beyond minor adjustments.

Immunizations: The Archdiocese of Miami requires that prior to attendance in school, each student present or have on file with the school a certificate of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A completed Florida Certificate of Immunization (Form DH 680) is required to document the administration of prescribed immunization doses. An exemption from immunization requirements is permissible only with a physician's certification as to the need for either a temporary or permanent medical exemption. An exemption from immunization requirements is not permissible for religious, philosophical, personal, or other reasons.

Communicable Diseases: Parents will be informed of any communicable disease discovered at school to which their child may have been exposed. Students, who are absent due to a communicable disease, must present a doctor's note and medical clearance before returning to school.

Accidents Parents/Guardians: will be notified immediately in case of sudden illness or accident. In case of minor accidents (scratches and bruises), the school will inform the parents by sending a note home at the end of the school day. We report all known/self-reported accidents.

Makeup Work: Students will be allotted the same amount of days that they were out to make-up their class and homework; if they were out 2 days, the child will have 2 days to make-up the work (including weekends). If a child has been assigned a project or monthly book report please remember the dates provided are deadlines. Students are encouraged to turn in those assignments before that date to ensure full credit will be applied in a case of an unexpected absence on that date. Students absent on a deadline date that have not yet turned in their assignment may be subjected to a lower score on the project or book report.

Tardiness: Students must be in their seat by 7:45AM. Any child arriving in class after 7:45 AM is considered tardy. Doors for drop-off will be closed as soon as the 7:45 AM bell rings. Any child arriving late must be accompanied by a parent and will receive a “tardy slip” from the office. If the child arrives late by the drop-off area and does not receive a slip, he/she will be marked “tardy” by the teacher. Any work turned into the teacher after 7:45 AM will be considered late and will be marked accordingly. If the problem continues, parents will be contacted by the assistant principal for a conference. Families with students who are consistently late for school will be called for a conference with the principal. **PLEASE GET YOUR CHILD TO SCHOOL ON TIME!!!**

Perfect Attendance: A student must be in attendance for a full day of school each day of the grading period in order to receive recognition for perfect attendance (no tardy or early dismissal).

Cancellation of School or Class: In case of emergencies and natural disaster, the school will follow procedures devised by the Archdiocese of Miami/Miami-Dade County Public Schools. Parents are to listen to AM, FM & TV Emergency Broadcast Warning for special instructions.

Arrival & Dismissal Procedures: Our main concern is the safety of the children, and the expediency with which we carry out morning drop-off and afternoon dismissal. Children will not be placed in a car unless the proper identification is displayed. Student Patrol officers will help by opening and closing car doors. DO NOT address concerns with safety patrols; you may do that with the school administration. Drive slowly and be patient. Safety is extremely important.

Students will be released only to those persons who are listed on the registration or emergency forms. This documentation must be kept current and any changes or special permissions must be made in writing by the parent or guardian. Students will not be allowed to call home to make arrangements to leave school with another child. In the event that your child will be leaving with another parent, the office must receive written authorization in advance.

Any situations involving court orders and legal documentation requires an official copy to be placed in your child’s file.

The emergency dismissal of a child will be granted for valid reasons only. Parents are urged to set-up appointments for after school hours and to keep the emergency dismissal to a minimum. If there is a need to be dismissed during the school day, a note from the parents must be sent to the office. No child will be allowed to leave school without a written permission from a parent or guardian. This is for your child’s protection. The note should contain the date, time of expected early dismissal, name of person picking up the child, reason the child is leaving and the signature of the parent/guardian.

No child will be allowed to go home with another family unless arrangements have been previously made. **Children will not be dismissed after 2:00 PM.** Please make your appointments for after 3:00 p.m. Students may not be released to a faculty member for dismissal.

Dismissal Schedule: All grade levels will be dismissed through the school’s circular driveway on the west side of the building.

- Kindergarten – 1st grade at 2:15 PM
- 3rd – 4th grade at 2:35 PM
- 5th – 8th grade at 2:55 PM

Please note that when driving up to the canopy, if your child’s class has not been dismissed, you may be asked to park in order to continue with the pick-up of other students. Please ensure that grandparents or any other family member picking up your child are aware of the rules. If an authorized person approaches the canopy for pick-up with the “Car Tag” but we are not familiar with this person or we did not receive a letter from the parents, we will not allow your child to leave with this person. The person would have to park and wait for the office to establish parental/guardian authorization, proper identification will be required.

After School Program: Will be provided for the 2021-2022 school year.

School Lunch: Please ensure that your child is receiving a balanced lunch. Please do not include sodas or candy with their school lunch as these are not allowed, and teachers have the authority to take these away from your child. In maintaining a balanced lunch, your child should only have 1 dessert with his/her lunch. Teachers are authorized to monitor children's lunch. **Lunches will not be delivered to students;** Students are to bring lunch with them. Please plan ahead for your child's needs.

Fire Drills: In an emergency, all effort is directed toward getting the students out of the building safely. Teachers are instructed and routes will be posted in each classroom. Regular fire drill practices will be done.

Lock Down Procedures: When potentially hazardous conditions exist in the vicinity of the school or on the school property, the school may go into lock down procedure. All doors will be locked and no one will be allowed in or out of the school. We may also follow lock down procedure when instituted and instructed by the Archdioceses of Miami/Miami-Dade County Public School, whether the potential may or may not be directed towards our immediate school. We ask that everyone please follow the instructions being given at the moment, and keep in mind that these procedures are followed for the safety of your children.

Campus Ministry/Spiritual Program: A religious atmosphere is maintained and fostered throughout the school, and in accordance with the school philosophy, religion receives special attention. The foundation of our school is built on our personal relationship with Our Lord Jesus Christ. Emphasis is placed on instruction in the classroom, a prayer life, participation in Mass, the Sacraments and community service. The program includes, but is not limited to, the following:

1. At 7:45 AM each school day, there is a school-wide prayer and pledge of allegiance.
2. School Masses are held weekly. Students are required to wear their official uniform.
3. The Sacrament of Reconciliation will be held school wide at least two times a year.
4. During the school year, various religious programs including class Mass, Stations of the Cross, Respect Life Presentations, and special guest speakers from the community may supplement the Theology Program.

Students participate in class liturgies scheduled in the beginning of the year. Students K through 8th attend Mass on Fridays. All students will receive ashes on Ash Wednesday. Parents are invited to participate in the liturgy with their children.

Sacramental Preparation: Third grade students are prepared for First Reconciliation and First Communion. Eighth grade students are prepared for Confirmation. Students need two years of Sacramental preparation to receive the sacraments. Parents are required to attend two meetings and a retreat for these sacramental preparations. Students are required to attend mass and abide by the guidelines set forth at the first sacramental meeting. **All students receiving their sacraments are required to attend mass at least twice a month, otherwise may not receive their sacrament at a later date.** The Pastor reserves the right to deny First Communion/Confirmation to any child that has not been fully prepared or has not fulfilled requirements to receive the sacrament.

Communion Attire: Girls must wear a white dress with sleeves. No spaghetti strap dresses. Boys must wear a white suit with a white shirt and tie.

Confirmation Attire: Girls must wear a knee length dress or skirt with blouse. No spaghetti strap or strapless and flat shoes (no heels). Boys must wear a white shirt with a tie and black pants.

Retreats: Families may be required to attend one retreat per year in order to re-register. All retreat requirements should be met by the end of January, so each family may re-register on time in February. Third & Eighth grade parents may be required to attend all meetings and retreats pertinent to Communion

and Confirmation. MOC will offer one retreat at which time all parents are welcomed to join us, if parents do not attend this retreat, they would need to contact our Church or other religious center for information on retreats they may offer.

Parishioner: A parishioner is a family practicing good stewardship at the parish. Since that involves the giving of one’s time, talent, and treasure, benchmarks need to be established. Please note that the following benchmarks are minimums developed by the parish in order to determine if one qualifies for a “Parishioner” status at M.O.C. They are in no way intended to weaken the stewardship message. Due consideration must be given to the fact that not all families are prepared to make responsible stewardship decisions without first receiving some initial guidance.

1. Be a registered member of the parish with students baptized in the Catholic faith.
2. Complete a stewardship intention form each year during stewardship renewal.
3. Attend Mass a minimum of 26 times per year beginning on Jan. 1st and ending Dec. 31st.
4. Share gifts of time and talent by contributing a minimum of 40 hours per family per school year in the parish or school related service beginning on August 15th and ending May 31st.
5. Share gifts of treasure by contributing a minimum of \$500 per year to the parish beginning in August and ending in May. Donations must be turned in with parishioner number to ensure proper credit. Tuition is not considered a church contribution.

Sunday Parish Liturgies: Students and parent/guardians are expected to maintain a “regular” weekly attendance at Sunday Liturgies. Mass attendance is considered a pre-requisite to maintain an active in-parish status.

Non-Parishioner: A family in this category would be one who does not meet all of the above criteria. **These guidelines will be strictly followed in the 2021-2022 school year. Please read carefully and govern yourself accordingly. All students registered at the school as parishioners should follow the above guidelines.**

Academic Calendar: The 2021-2022 school year will begin August 18, 2021 and end on June 8, 2022. All holidays, Professional days will be announced on the Yearly and Monthly Calendars.

Graduation Requirements: In order for a student to graduate their academic standings must be according to the school’s requirements please see the Grading Scale/Achievement Codes. All financial obligations must be up to date prior to being considered for graduation.

Grading Scale/Achievement Code: A five-point scale will be used to average letter grades.

Report Cards: are issued four times a year. **Report cards may be withheld pending settlement of financial obligations.**

Honor Roll: Awards will be given only to students in 4th through 8th grade. Honor Roll will be determined based on the student’s grades and conduct in all subject areas.

Good Steward Award: At the end of the school year during the award’s ceremony, a Good Steward Award will be presented to the child displaying a Christian way of life throughout the year. A student who receives a disciplinary referral will not be eligible.

Home-learning: is an essential part of a good school program and is assigned for all grades everyday. Teachers will assign home-learning that is relevant, and not simply busy work. It should reinforce the skills that were learned in class, unless it is a reading/research assignment in preparation for an upcoming class. It encourages a sense of responsibility and initiative for student’s own progress.

Students in 2nd through 5th grade will receive an agenda, to keep an accurate record of daily assignments. Extra agendas may be purchased at the school office for \$6.00. Some notes to parents are sent in the agendas.

Suggested home-learning time listed below, please note that this does not include “study time” and may vary according to the needs of each particular student:

- K 30 minutes
- Grades 1- 2 approximately 40-50 minutes per night
- Grades 3 - 8 approximately 60 minutes a night

Studying for a test, reviewing assignments, or reading is not considered homework.

Students will not be allowed to use the school phone to contact parents or family members for items they have forgotten (sneakers, assignments, lunch, etc.). In the event that the school feels the issue at hand warrants a phone call to the parents, the phone call will be made by office personnel and not the student.

Textbooks and iPads: are school property. The students rent them for a fee. Students are required to cover and take good care of them. There will be charges for lost or damaged books and/or iPads.

Section 504 – Policy Statement: Mother of Christ Catholic School complies with the mandate of Section 504 of the Rehabilitation Act which prohibits discrimination of the basis of disability in certain programs and activities. Pursuant to the requirements of the Rehabilitation Act, Mother of Christ Catholic School will make those minor adjustments that can accommodate students with disabilities to the school’s educational programs and activities.

The school’s designated 504 Coordinator and contact information are as follows: Marcey Ayers (305) 762-1019. Parents with questions regarding the school’s disability accommodations or related items should contact the 504 Coordinator.

Parents may file a grievance as to any decisions related to a disability accommodation and request an internal hearing and review by sending a written notice addressed as follows:

Donald Edwards, Ed. D
Archdiocese of Miami
Associate Superintendent of Schools
9401 South Biscayne Boulevard
Miami Shores, Fl. 33138

The internal hearing and review will seek the prompt and equitable resolution of disability discrimination complaints.

Academic Deficiency Policy/Progress Reports

Weekly Progress Report: If your child is having academic or behavior problems, your child may be placed on a weekly progress report.

Student Evaluation: will be conducted by the teacher who will use objective tests, projects, home-learning, and classroom participation. Each teacher will have available for the parents the requirements and standards for his/her class during Parent Orientation Night.

Promotion for K-2nd Grade: Students will be promoted to the next grade when their achievement is satisfactory. A student may be required to take the equivalent of the entrance exam to determine if they are prepared for the next grade. Students, who receive a **NEEDS IMPROVEMENT** grade, will be asked to attend summer school or receive pre-approved tutoring in order to continue at MOC.

Parent Portal: This website based program gives parents access to their child's grades and other vital information. Teachers may post their classroom policies, projects, news and upcoming events.

Academic Probation Policy

Conditional Promotion: Students who do not receive a passing grade in one subject may have to attend summer school.

Retention: Students who receive a 59 or below may not be promoted to the next grade. **In grades 3rd–8th Religion, English, Reading, and Mathematics are considered basic-core subjects. Promotion and retention will be based on grade level competence in these subjects.** Any student who does not receiving a passing grade in two subjects may be retained. Students who missed more than 18 days of school may be retained or may be required to attend summer school.

Private Tutoring, Coaching or Lessons: Except as specifically noted in this Handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy or other similar private lessons or services. Parents who engage school staff members for the provision of these services do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff member's employment with the school. **Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.**

Parent-Teacher Conferences: MOC strongly encourages open communication between teachers and parents. It is our belief that the job of educating a child can only be accomplished by parents and teachers working together.

Parent-Teacher conferences and good communication are a vital part of the educational process. Teachers share with parents the privilege and obligation of educating their children, therefore, every effort should be made for parents or guardians to keep informed about school programs, student progress, and special student activities.

Faculty members are always eager to discuss pupil progress with parents and guardians. MOC appreciates the interest parents show in their children's progress. It is, however, necessary that a conference be scheduled beforehand. Parents may do so by sending a request note, sending an email, or calling the school to schedule a conference. **"Instant Conferences"** are NOT permitted. Parents may not walk directly to their child's classroom afterschool. Visitors are required at all times to report to the office.

Parents' phone calls and e-mails are to be responded to promptly (within 24 hours). Teachers need to document all conferences with parents. This documentation should have the date, time, persons present, subjects discussed and outcome. If there are follow-ups to be done, documentation is required as well.

In keeping with the Church's principle of subsidiary policy, all problems should be solved at the lowest level whenever possible. It is then advised that persons having a problem with another individual go directly to that individual before going to that person's supervisor. The Principal will hear parents' complaints about teachers only after the problems have been voiced to the teachers and to the Assistant Principal.

Conduct: Students and parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including expulsion, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

School Discipline Procedure: Each teacher develops their classroom discipline. The parents (during parent orientation) and students (during the first week of class) are duly informed of the rules and consequences for undesirable behavior. In the teacher's disciplinary steps there will be recommendations for parent information.

The Principal retains the right to make exceptions to the above stated procedures. The Principal will be the final resource in all disciplinary situations and may waive or accelerate any disciplinary rule for just cause at her discretion. Students who receive a referral will not be eligible for the Principal's Honor Roll.

Public Display of Affection: The Catholic school promotes friendship, charity, kindness, love and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension or expulsion. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

Cheating: Any student found being dishonest, including plagiarizing, but not limited to with regards to classwork, homework, exams, projects, tests, forging signatures, etc., may receive a zero for the assignment and may have other consequences at the administrations discretion.

Willful/malicious destruction and/or damage of another one's property are considered vandalism. It will not be tolerated and warrants a suspension.

Inappropriate Language: Students will respect and obey teachers and all school personnel at all times. Verbal disrespect or the use of vulgar, profane language will not be tolerated. School rules are to be followed for the protection of all.

In addition, the use of tobacco products, electronic cigarettes, and vaping carry known health risks that can be very serious. The use of any tobacco products, electronic cigarettes, and/or vaping in any form is prohibited on school property and at any school events. Violation of this policy will result in disciplinary consequences which may include expulsion from school.

Harassment and Discrimination: The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Archdiocese of Miami. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

Anti-Bullying Policy: The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, extorting or taking a student's personal property;
- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or
- (5) creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.

1. Definition

- a. **Bullying** is the willful and repeated harm inflicted upon another individual which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.
- b. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

2. Scope

- a. This policy prohibits bullying that occurs either:
 - i. on school premises before, during, or after school hours;
 - ii. on any bus or vehicle as part of any school activity; or
 - iii. during any school function, extracurricular activity or other school-sponsored event or activity.

3. Reporting Complaints

- a. Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

4. Disciplinary Action

- a. Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

Bullying/Harassment Investigation Disclosures: While the School generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the School may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or other measures that relate to the harassment and/or bullying at issue regardless of whether the matters disclosed are part of an educational record.

Threats of Violence: Students are prohibited from making threats of violence. Students whose verbal or written comments, including electronic messages, pictures or posts on social media, that threaten serious bodily harm to another student, him/herself, a member of the faculty or staff or the destruction of property or whose behavior otherwise demonstrates they may pose a threat to the safety of the school, may be subject to disciplinary action including but not limited to:

1. Immediate suspension or expulsion from the school, at the school's discretion;
2. Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation; and/or
3. If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be expelled from school.

This policy applies whether such threats or misconduct were made intentionally, unintentionally, or with or without ill will. Such misconduct may also violate Florida law and may subject the student to criminal proceedings. At all times, the school will cooperate with law enforcement investigations and maintains the discretion to contact law enforcement at any time.

Students and parents should immediately report any threats of violence or other concerning behavior that may suggest an individual intends to commit an act of violence.

Weapons Policy: Weapons are not permitted anywhere on school grounds or at any school activity. Any student who brings a weapon to any school activity, who is in possession of a weapon, or who threatens others with a weapon may be expelled from the school. Any item used to threaten or cause bodily harm may be considered a weapon.

Drug and Alcohol Policy: The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over-the-counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include expulsion from the school, even for a first offense.

Any student selling drugs on school property or at school functions may be immediately expelled.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods in the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense.

A school may conduct random searches as set forth in this handbook.

Search and Seizure Policy: The principal and his/her designee has access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

The school reserves the right to examine, use, and disclose any data found on the school's information networks or on any technological devices used by students on campus in order to further any administrative concern. It may also use this information in disciplinary actions and may furnish evidence of a crime to law enforcement.

Moreover, any unauthorized use of the school's name (or common names associated with the school) or any likeness or image of the school or its employees or agents is strictly prohibited.

Sexting: The electronic transmission or receipt from one minor to another of any photograph or video that depicts nudity may constitute illegal sexting. Students engaged in sexting will be subject to serious disciplinary consequences which may include expulsion from school. In addition, the school administration may report instances of sexting to the Florida Department of Children and Families or local law enforcement for appropriate investigation as to violations of law.

Consent: Many technological devices used at school have the capacity to generate audio recordings, video recordings, photographs, and other similar reproductions of images, likenesses, and/or sounds. The use of any such recordings and reproductions is governed by school policy. Parental/guardian execution of this

Handbook constitutes an express consent and waiver as to any such recordings and reproductions incidental to the use of any technological devices on school property or at school events.

Transportation to Athletic and Other After School Events: Occasionally, students participate in off-campus activities. The School does not provide transportation to these events, it is the parent's responsibility to pick-up their child and transport them to the event. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

Notification of Rights under FERPA: The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal (or appropriate school official) identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

Mutual consent is necessary.

Ethics in Education Policy: Every school that accepts scholarship students under the John McKay Scholarship for Students with disabilities (Fla. Stat 1002.39) or the Corporate Income Tax Credit Scholarship Program (Fla. Stat. 220.187) must comply with the terms of Florida's Ethics in Education Act. Among other requirements, every regulated school will adopt a Code of Ethics for Instructional Personnel and School Administrators and will ensure that all instructional personnel and school administrators receive training on the Code and its reporting requirements. In addition, every regulated school will promptly post its Code of Ethics on its campus and on its website.

School Counselor: The school has a Licensed Mental Health Counselor on staff. Please be advised that anything that your child discusses with the counselor may be shared with the Administration as deemed necessary by the Counselor, and will be kept private among the related parties. We welcome parents to discuss issues that may arise with the counselor, and invite your child to visit with her. You may recommend to your child to visit with the counselor, but please keep in mind that recommendations may also come from your child's teacher and/or the Administration. An authorization must be on file in order for your child to visit with the counselor. Please be aware that any incidents of suspected child abuse will be reported to the proper authorities.

The policy of the Archdiocese of Miami requires that MOC administration, faculty and staff report all cases of suspected child abuse. If the complaint received is not allegedly caused by the action of the parent(s) or guardian(s) of the child, the parent or guardian will be notified by the school administration.

Testifying in Divorce or Custody Proceedings: The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

Non-Custodial Parent: MOC will substantially abide by the provision of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Use of Photos: The school reserves the right to use student or parent photos in any school or Archdiocesan publication including but not limited to print publications, videos, or websites including Facebook, Twitter

and other social media websites. Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year.

By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Archdiocese of Miami, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.

Any time a parent/guardian makes an electronic acknowledgment by clicking "submit" or "accept" on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, **Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE** to receive and be bound by electronic acknowledgments.

COVID-19 Risks and Protocols: Attendance at school and participation in school activities pose some risks including the transmission of COVID-19. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from COVID-19 or other communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and to participate in school activities and/or by coming onto the school campus and attending school activities themselves. Parents further agree to abide by all school policies related to COVID-19 and any associated safety measures including but not limited to the proper use of masks for vaccinated and/or unvaccinated students and visitors and any isolation or quarantine requirements as determined by the school as may be applicable to students, visitor or parents on campus or attending a school-related activity.

While the school strongly supports in-person instruction, in the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration make it unfeasible, unsafe, or otherwise imprudent to continue campus-based education, school educational programs may transition to distance learning and/or other methods adopted by the school administration and faculty. Due to the school's continuing financial obligations related to its operations, there will be no suspension, reduction, or refund of tuition in these circumstances unless decided otherwise by the school administration.
